<<Night Mask (平装)>>

内容概要

Caradoon, city of shadows, city of assassins. Through its dark streets flit the killers of the Night Masks, led by the thin, sinister killer known as Ghost. In the city's evil alleyways Cadderly, struggling against the horrible Chaos Curse, must fight an additional battle against sudden, silent death.

"I really loved writing this series.... because of ... the relationship between Cadderly and Danica, more mature than anything I had tried with Drizzt, and intriguing villains."
