<<上帝有多大？ How Big is G>

内容概要

When a young boy asks his mother where God lives, she tells him "in your heart." This inspires a slew of curious questions: Is he invisible? Is he like a superhero? Can he fly? How can he be everywhere all at once? In this heartwarming conversation between mother and son, all the ways in which God exists are discussed and the possibilities are endless. Through bright, dreamy illustrations, How Big Is God captures the immensity and wonder of looking at God--and the world--through a young child's eyes.
