<<DEGOWIN ' S DIAGNOSTI>>

内容概要

The classic internal medicine manual for students and residents! This handy guide addresses physical examination techniques and procedures while providing a catalog of clinical findings resulting from the physical examination. Thoroughly reorganized, the Eighth Edition of DeGowin ' s Diagnostic Examination features a more user-friendly, easy-access format than previous editions. Univ. of Iowa, Iowa City. Brandon/Hill Medical List, first-purchase selection (#139). Pocket-sized clinical reference covers the diagnostic framework, diagnostic examination, preoperative evaluation, and the use of the laboratory and diagnostic imaging. Features a new user-friendly design with two-color format. Previous edition: c2000. Softcover.

<<DEGOWIN ' S DIAGNOSTI>>
