<<投资解密INVESTING DEMYST>>

内容概要

The first Demystified guide to take the mystery out of investing, Investing Demystified provides independent investors with hands-on explanations of basic investing topics without needless detours. Built around the no-nonsense model that has made Demystified one of McGraw-Hill's most popular series, this helpful and practical self-teaching guide cuts right to the chase and gives straightforward direction to anyone tired of being confused by Wall Street jargon and the investing arena. 作者简介：Paul Lim is senior writer for U.S. News & World Report. A former staff writer for Money and personal finance columnist for the Los Angeles Times, Lim is the author of Money Mistakes You Can't Afford to Make. He has been frequently quoted in the media, including the New York Times, the Wall Street Journal, and the Week.
