## <<逃避之路>>

### 内容概要

With superb skill and feeling, Graham Greene retraces the experiences and encounters of his extraordinary life. His restlessness is legendary; as if seeking out danger, Greene travelled to Haiti during the nightmare rule of Papa Doc, Vietnam in the last days of the French, Kenya during the Mau Mau rebellion. With ironic delight he recalls his time in the British Secret Service in Africa, and his brief involvement in Hollywood. He writes, as only he can, about people and places, about faith, doubt, fear and, not least, the trials and craft of writing.
