<<Exit Ghost (精装)>>

内容概要

'another virtuoso performance by Roth - funny, angry, and very much in tune with the tenuousness of all desires and needs'

`America's greatest living novelist. His books are the most anticipated literary events on both sides of the Atlantic'.

`There is something magnificent about Philip Roth's undimmed rage and life-lust'

`This is a book about the importance of literature that lasts'

`Consistently enthralling...full of tart humour and dancing intelligence'

`Nobody who has followed him - one of the great writers of our time - thus far, should miss it'

`Rich with tragicomic possibilities'

`Everything Roth writes is a blessing for which his devotees are grateful'

`Roth is a writer's writer, and one for intelligent readers too'

`its sentences ring with vitality... Roth reminds us why "the transforming exigencies of prose fiction" still matter'
