内容概要

Everybody knows Grace Kelly ' s story—or do they? Beautiful, elegant and mysterious, Grace Kelly captivated the world for decades. Her life, while sometimes magical, had more than its share of loss and unhappiness—and secrets. Now, in TRUE GRACE: The Life and Times of an American Princess (Thomas Dunne Books), bestselling author Wendy Leigh presents new revelations about this beloved icon. Interviewing over 90 sources who have never before talked to any of Grace ' s biographers, Leigh now paints the most complete portrait of Grace Kelly to date. Grace Kelly ' s life was a storybook American tale. A radiantly beautiful girl born to immigrants—the daughter of a self-made millionaire—she grew up to become one of Hollywood ' s brightest young stars. The fairy tale continued when she married Prince Rainier of Monaco and became the mother of two princesses and a son who today is the ruler of that glittering principality. In TRUE GRACE, Leigh follows Kelly ' s breathtaking rise to Hollywood fame, as well as her glamorous life as Princess Grace of Monaco, but also records the dark side of the dream.
