<<Hurricane 暴风雨>>

内容概要

When a storm is raging, David and George are glad to be inside the house, snug and safe. In this spectacular picture book by Caldecott Honor recipient David Wisener, a fallen tree becomes the threshold to the limitless voyage of the imagination, which David and George share as only true friends--and brothers--can.

作者简介

David Wiesner's interest in visual storytelling dates back to high school days when he made silent movies and drew wordless comic books. Born and raised in Bridgewater, New Jersey, he graduated from the Rhode Island School of Design with a BFA in Illustration. While a student, he created a painting nine feet long, which he now recognizes as the genesis of *Free Fall*, his first book of his own authorship, for which he was awarded a Caldecott Honor Medal in 1989. David won his first Caldecott Medal in 1992 for *Tuesday*, and he has gone on to win twice more: in 2002 for *The Three Pigs* and in 2007 for *Flotsam*. He is only the second person in the award's history to win the Caldecott Medal three times. David and his wife, Kim Kahng, and their two children live near Philadelphia, where he devotes full time to illustration and she pursues her career as a surgeon.
