内容概要

For the more than 100,000 people who apply to law schools each year, choosing the right school can seem overwhelming. Inside Law Schools, newly revised and updated, provides the kind of information that can help students decide which school is right for them. Offering the lowdown on over 100 schools from the points of view of current students and graduates, the reader is privy to: • Firsthand accounts of the social life, academic activity, and job placement on campus • Resources on how to select a school • Important admissions, enrollment, and financial aid statistics • Deciding if law is the right career • Ways to maximize chances for admission • How to finance a legal education For useful information on schools ranging from the most prestigious to the most accessible, Inside Law Schools is a must read for anyone considering a legal career. • This is the only guide written from the students' perspective. • New statistics and comments reflecting the tone and concerns of students in 1990s. • Inside Law Schools has more comprehensive information than any other guide regarding success rate of grads finding employment.
