<<与你的客户谈论金钱的新方式>>

内容概要

The first book of its kind to introduce a model to help you create conversations about money with your clients, Money and Meaning provides a framework and tools to provide a safe environment in which to have conversations and resolve conflicts. Written by a respected expert in business, financial, and relational issues, Money and Meaning is filled with useful case studies and helps you open the door to thoughtful conversations that explore and resolve money ' s multiple meanings.
