<<马爱好者指南Tips and Tid>>

内容概要

With more than 300 morsels of intriguing information and one-of-a-kind illustrations, this is a fascinating romp through the world of horses. Along the way, you'll find answers to questions like: What was so unique about Caesar's horse? How do you lead a horse to water and make him drink? Exactly how many horses did they use in Hidalgo, anyway? Why would you use a leaf blower inside of a barn? Why shouldn't you walk through a hotel lobby with spurs on in Phoenix, Arizona? Who said, "I can make a General in five minutes but a good horse is hard to replace?" This collection of equestrian trivia, lore, and more is equally at home on the coffee table or in the stable. It's a book you'll savor again and again. 作者简介： TENA BASTIAN is known both as a Western poet and as an equestrian expert. She has presented seminars at equine expositions across the United States and been a featured speaker on The Horse Show with Rick Lamb and Pet Talk Radio. Tena and her husband own and stand their three-time World Qualifying Stallion, This Beau's Eligible, on their ranch in Ohio. Tena also authored The Horses We Love, The Lessons We Learn(Howell Book House).
