With this guide, you can discover how to:

|                                                                                                                                                         |
|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Get around after you leave Orientation Island                                                                                                           |
| Customize your avatar to get the look you want                                                                                                          |
| Exchange real-world dollars for Linden dollars, and vice versa                                                                                          |
| Manage your SL finances and make purchases                                                                                                              |
| Meet the folks you want to meet and deflect those you don't                                                                                             |
| Develop an SL home base for yourself                                                                                                                    |
| Create the world you want to live in by literally designing and building the things you want -- from clothing and art pieces to vehicles and furniture. |
