<<Frommer 's Arizona 2>>

内容概要

Completely updated every year (unlike most of the competition), Frommer 's Arizona features gorgeous full-color photos of the state's national parks, growing nightlife, and colorful towns that await you. Our author has lived in and written about Arizona for years, so he's able to provide valuable insights and advice. He ' ll steer you away from the touristy and the inauthentic, and show you the real heart of Arizona. Let him take you to exciting cities, charming Old West towns, and natural wonders, from the Grand Canyon to Sedona. Also included are accurate regional and town maps, up-to-date advice on finding the best package deals, a free color fold-out map, and an online directory that makes trip-planning a snap!
