内容概要

Premiering in 1878, the production of H.M.S. Pinafore--a comic opera in two acts--turned out to be Gilbert and Sullivan's first smash hit. In poking fun at the snobbery and hypocrisy of the English social system of the day, it told the story of Ralph, a lowly able seaman who had fallen in love with Josephine, the Captain's daughter. This exemplary new edition by Carl Simpson and Ephraim Hammett Jones--the same team that produced Dover's full scores and vocal scores of *The Mikado* and *The Pirates of Penzance*--have now turned to the original manuscripts and early sources to produce handsome, newly engraved plates that reflect Gilbert and Sullivan's original intentions. The vocal score contains complete vocal solo and choral parts, the complete dialogue, and a piano reduction of the full score. Now available for the first time in an authoritative and popularly priced edition, this meticulously prepared vocal score will be an indispensable rehearsal aid for soloists, chorus members, and pianists.
