## <<TALES FROM EARTHSEA >>

### 内容概要

"The magic of Earthsea is primal; the lessons of Earthsea remain as potent, as wise, and as necessary as anyone could dream."--Neil Gaiman, author of *The Sandman* The tales of this book explore and extend the world established by the Earthsea novels--yet each stands on its own. It contains the novella "The Finder," and the short stories "The Bones of the Earth," "Darkrose and Diamond," "On the High Marsh," and "Dragonfly." Concluding with with an account of Earthsea's history, people, languages, literature, and magic, this collection also features two new maps of Earthsea.
