## <<The Scholastic Dicti>>

### 内容概要

With more than 600,000 words, English makes spelling a challenge for the most diligent students. Here's a handy, alphabetical guide of more than 15,000 words that you can turn to for an instant spell-check. Author Marvin Terban also helps guide you through the spelling maze with a dozen and one rules that help make word endings more predictable, more than 150 clever tricks to help you remember how to spell commonly misspelled words, and a Misspeller's Dictionary to help you find that word you don't even know how to look up. MARVIN TERBAN'S other books include the Scholastic Guide to Checking Your Grammar and the Scholastic Dictionary of Idioms.
