<<The Complete Adventu>>

内容概要

"This is George. He lived in Africa. He was a good little monkey, and always very curious." With these words, H. A. and Margret Rey introduced the world to Curious George in 1941, and the world has loved him ever since. The tales of this cheerful and resilient little hero have kept generations of readers enthralled and entertained. Now, in recognition of the sixtieth anniversary of his debut, Houghton Mifflin proudly presents a special edition of George's best-loved adventures. With an introduction by critic Leonard Marcus, a retrospective note by publisher Anita Silvey, and a cataloged history of the Reys by curator Dee Jones, this collection offers a fun and fascinating portrait of a classic character and his unique creators.

作者简介

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he studied philology and natural science at the University of Hamburg. He then married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS.
