<<Twimericks 绕口令大挑战>>

内容概要

Pure nuttiness: the "Twimerick," a fiendish confection of limerick plus tongue-twister, topped off by the deliciously whacky illustrations of its inventor, Lou Brooks. To wit (and to be read out loud quickly): "A petulant flatulent platypus starts, "To tooting and flouting his flute to his farts, "But at platypus outings, "His flatulent floutings, "Flout his flute flat at the tootiest parts. " Nonsensical whimsy-or whimsical nonsense-Twimericks are a form of wordplay that are irresistible for kids, as well as for grown-ups unafraid to be silly; perfect to be read at parties or in a classroom when learning poetry (that's right, who knew poetry could be so much fun?). And the book itself, like the best poetry collections, is a gem offering one Twimerick per page, each illustrated in full-color by the author, a legendary commercial artist. Open to any page and feel the unbridled creative energy spilling out. It's pure happiness.
