## <<烦恼的增长>>

### 内容概要

Since it was first published in 1986, *Growing Pains* has become a classic resource for understanding how start-ups can make the transition to become large, professionally-managed organizations that maintain the special spark that launched them. In the fourth edition of *Growing Pains*, authors Eric Flamholtz and Yvonne Randle have thoroughly revised and updated the book to include new ideas and concepts including information about strategic planning, Sarbanes-Oxley, family businesses, and overcoming growing pains, as well as new examples and cases of companies. 作者简介： Eric G. Flamholtz is a professor of management at the Anderson Graduate School of Management, University of California at Los Angeles. He is president and cofounder of Management Systems Consulting Corporation.
