<<亚太赌博业Casino Industr>>

内容概要

This valuable resource thoroughly details the history, operational issues, and impact of casino gaming in Australia, Korea, Macao, and Southeast Asia. International authorities discuss crucial issues that involve policymakers and casino developers, allowing industry players a global perspective as they consider various important viewpoints in their long-range planning. In the "Operation" section, each chapter analyzes an important casino operational issue, including regulations, licensing and due diligence, internal control and auditing, and rolling commissions. Another section reviews the economic and social impacts for various regions Chinese culture and gaming ore also examined in detail to illustrate the intertwined relationship between gaming and daily life. Extensive bibliographies, helpful tables, and fascinating photographs are also included. "THE DEFINITIVE WORK ON ASIA PACIFIC GAMING. The editor has compiled a text blending cuffing-edge academic researchers with world-renowned industry practitioners and experts who are working in the Asia Pacific casino industry. They provide on accurate account of the current and future state of the Asia Pacific gaming industry. AN EXCELLENT RESOURCE BOOK Covers all the countries that are players, wonnobe players, and soon-to-be players in the casino industry."
