## <<Dog Owner's Home Vete>>

### 内容概要

"The best book of its kind in print! A Masterpiece in the field of dog care.... Mercifully clear and readable. If you own a dog and love it, you must keep a copy on your handy reference shelf!" —Mordecai Siegal, President of the Dog Writers Association of America and author of over 20 books on dogs and other animals. "Will more than pay for itself! Compared with similar books, this is the most beneficial ever published! All-encompassing and so inviting to use... Accurate, reliable, up-to-the-minute, intelligent and explicit.... This book will more than pay for itself with the very first dog health problem you may encounter and solve yourself. And I'll sign my name to that!"

"Useful for any dog owner, indispensable for kennel owners.... Offers comprehensive, up-to-date, well-organized information on every phase of health care for dogs." "Buy It! You can't afford to be without this one!...I must have ten books on home veterinary care now—Forget Them! This one is complete, well and simply written, profusely illustrated, and wonder of wonders, it's well-indexed—in three ways, yet!" 作者简介

: James M. Giffin, M.D., has had life-long experience with dogs, cats and horses. He graduated from Amherst College and received his medical degree from Yale University School of Medicine. In 1969 he established a Great Pyrenees kennel and became active in breeding, showing and judging. He finished several champions, campaigned a Best-in-Show winner, and served on the Board of Directors of the Great Pyrenees Club of America. He is co-author of the award-winning books The Complete Great Pyrenees, Cat Owner's Home Veterinary Handbook, Horse Owner's Veterinary Handbook and Veterinary Guide to Horse Breeding (all from Howell Book House).
