<<Eyewitness Vote (Aud)>>

内容概要

在线阅读本书

Help your child learn all about voting with this fact-packed guide, giant wallchart, interactive clip-art CD and dedicated website. From Big Brother and choosing a new Pop Idol, to a Viking assembly and how it decided issues of war and peace: let your child discover all about how people power' has changed through the centuries. They'll discover more browsing the dedicated Eyewitness website and downloading 100s of amazing images from the clip-art CD. Then use the giant pull-out wallchart to decorate their room. Great for projects or just for fun, make sure your child learns everything they need to know about voting.

From School Library JournalGrade 4–8—Engaging visual material and a wealth of assorted facts trace the history of voting and its impact on human rights, politics, and other related areas. The first half moves chronologically from ancient Greece to modern times, with current information into the 21st century. Later sections look at political structures, election logistics, and even nongovernmental elections (including trade unions, the Oscars, and Britain's Pop Idol). Several high-quality photographs and reproductions appear on each spread. Though not tremendously exciting on their own, they still contribute great appeal and represent the text well. The "polling day" spread, for example, depicts a variety of voting implements, from a gold-tipped pointing stick used in the republic of Venice to a keypad from 2007 Bhutan. Nearly every section draws upon assorted examples from around the world, providing a strong international framework. One spread, for example, shows seven recent scenes of varied "protest" events, each from a different country. In some cases, the information is too cursory to be of much use, such as a paragraph on the electoral college that might confuse more than clarify. As a whole, though, the book does a nice job of pulling together an impressive array of topics, events, and ideas within the broad concept of global suffrage. The book comes with a poster-size wall chart and a clip-art CD with downloadable images of many of the illustrations.—Steven Engelfried, Multnomah County Library, OR Copyright © Reed Business Information, a division of Reed Elsevier Inc.
