<<教堂晚餐church suppers>>

内容概要

This book will make life easier for anyone who has been asked to organize a church supper. The introduction provides useful information on organizing a supper and how to make it a complete success, and whether you're planning just a simple gathering to enjoy some soup and biscuits followed by coffee and cake, or a full-blown Christmas or Thanksgiving supper, there are plenty of delicious easy-to-serve recipes, hints and tips, and useful information to help make your evening go with a swing
