<<国画Chinese Brush Pa>>

内容概要

Known as 'Ink Painting' in China, Chinese Brush Painting shows you how to create peaceful and tranquil images of the natural world. This easy-to-follow guide gives you simple and clear instructions on how to make your first marks and explains how to develop your skills using special brush and ink techniques. This is an indispensable edition for anyone wishing to broaden their artistic skills and discover this unique art form and includes:

- Authoritative advice on buying ink and painting supplies;
- Detailed instructions on making your first brushstrokes;
- Step-by-step directions for creating the 'Four Gentlemen';
- Advice on broadening your repertoire of subjects;
- Hints and tips for using spectacular special effects;
- Helpful information on displaying your work;
- Ideas for handmade gifts;
- A gallery of inspirational paintings.
