<<Kaplan GRE Exam Subj>>

内容概要

Kaplan GRE Exam Subject Test: Biology features targeted review of all the concepts covered on the exam—cellular and molecular biology, organismal biology, ecology, and evolution. This invaluable guide also includes helpful practice quizzes to reinforce key concepts as well as Kaplanexclusive strategies and techniques to maximize your score. This powerful combination makes this book a highly effective way to prepare for the challenging biology subject test. Each book features:

- In-depth review of key content areas
- Essential terminology defined in context
- Practice quizzes covering key concepts
- Detailed answer explanations
- Proven score-raising strategies
