<<明智的决定>>

内容概要

This hands-on guide offers strategies that will help managers: Avoid common decision-making traps ; Focus on the right data ; Increase the odds of being right. Managers are under increasing pressure to deliver better results faster than the competition. But meeting today ' s tough challenges requires complete mastery of a full array of management skills, from communicating and coaching to public speaking and managing people. The Results-Driven Manager series is designed to help time-pressed managers hone and polish the skills they need most. Concise, action-oriented, and packed with invaluable strategies and tools, these timely guides will help managers improve their job performance today—and give them the edge they need to become the leaders of tomorrow.
