内容概要

We may put guys with great bodies on the covers of our magazines and books , but we know most real guys don ' t look that good.

(Heck , we don ' t even look that good.

) The truth is , we know your dirty little secrets.

Maybe the only running you do is going on a beer run.

or—even if you ' re in decent shape—you might not mind losing a few extra pounds , or adding some muscle to your arms , or your abs , or your chest.

But who has the time?The energy?Or even the slightest idea where to begin to get the best results? We do.

Here at Men ' s Health , building better bodies is what we do , day in and day out.

So let US share our secrets with you.

This year ' S edition of Men ' s Health Total Fitness Guide is chock-full of the latest fitness and dieting strategies , SO you ' ll never waste your time on workouts or weight-loss gimmicks that don ' t work.

Whether your ideal workout is slinging iron in the gym , running on the trail , or hitting a round of 18 with the guys , this book has tips and shortcuts to help you get fit fast.

A few highlights you ' ll find inside

- Get in the best shape of your life with this five-part plan
- 7 truths to help you pack on muscle
- Sculpt that six-pack with these 14 exercises
- Design a custom workout around your personal fitness goals
