内容概要

Chicken Soup for the

Teenage Soul II offers more inspiring stories to help you master the game we call life. Today's teens have ever more issues and social pressures to juggle than young adults just 20 years ago.

This book, like its predecessor, can be your guide - a beacon in the darkness, a safe haven in a storm, a warm hug in the cold and a respite from loneliness. There's no preaching as to what you should and shouldn't do. Instead, this book is full of teens sharing their experiences on learning to accept like, becoming the best person you can be, being happy with who you are, and loving yourself - no matter what.
