<<摩洛哥 Morocco>>

内容概要

Visit the Djemaa el-Fna late at night when most of the crowd is local p297. Join the locals in a public hammam and try not to flinch as layers of skin are sloughed off p443. Learn to cook from women who prepare wedding feasts in the city of romance, Marrakesh p306. Find a cure for baldness, impotence or camel sickness in markets all over the country. Five authors, two rented mules, 210 days of in-country research. Expanded Trekking chapter ­- each trek completed by footsore authors. All-new Culture chapter - meet Fatima, Driss and Amina and understand Moroccan culture through their eyes. You asked for it, we researched it - more language courses, cooking courses and sustainable travel experiences.
