## 内容概要

This book features 101 stories, all focusing on the wisdom of dads. Stories are written by sons and daughters about their fathers, and by fathers relating stories about their children. The Wisdom of Dads is a special way to pay tribute to Dad, and also a great read for all fathers and children. The stories remind us of the special bond between fathers and children and the special reverence that children hold for their wise old dads. The first Chicken Soup for the Soul book was published in 1993, and became a publishing industry sensation, ultimately selling eight million copies. Since then, more than 150 Chicken Soup titles have been published, selling more than 100 million copies. Chicken Soup for the Soul has won dozens of awards over the past 15 years, and its founders, Jack Canfield and Mark Victor Hansen have become celebrity motivational speakers and authors.
