内容概要

The day a girl is born she starts a special relationship with her father. It doesn't matter whether she is ten years old or fifty - she will always be his little girl. And daughters take care of their dads too, whether it is a tea party for two at age five or loving care eighty years later. Stories are written by fathers about their daughters and by daughters about their fathers, celebrating the special bond between fathers and daughters as they move through life's phases.

The first Chicken Soup for the Soul book was published in 1993, and became a publishing industry sensation, ultimately selling eight million copies. Since then, more than 150 Chicken Soup titles have been published, selling more than 100 million copies. Chicken Soup for the Soul has won dozens of awards over the past 15 years, and its founders, Jack Canfield and Mark Victor Hansen have become celebrity motivational speakers and authors.
