You must be mad.
Come to think of it.
Don't try to brownnose me.
How can you say that?
How did you do that?

<<生活口语关键句>>

I give you my word.

It was no big deal.

It wasn't difficult, was it?

It's a piece of cake.

It's about time we go.

It's none of your business.

What's with the long face?

You can say that again.

Your wish is my command.

Don't you think I know that?

I don't know what to say.

It's no skin off my nose.

Let me get my head together.

Let me put it this way.

That's easy for you to say.

What do you have in mind?

You can quote me on that.

9 WORDS

Ain't that a kick in the head?

Don't knock it till you've tried it.

I don't have any time at all.

I never thought of it that way.

Just forget about it and move on.

Looks like I owe you an apology.

What's on your agenda for the weekend?

When I see it, I'll believe it.

Your guess is as good as mine.

I can do without all the mumbo jumbo.

I can't believe the nerve of that guy.
