<<英语教学法>>

内容概要

This book is divided into eight parts . Each part deals with a central theme but integrates into a coherent , interdependent and uniform whole as a book . It can be used as a course book for iunior or senior college students who orient their interest in teaching English as a foreign 1anguage in their future career or used in training cours-es for novice and experienccd teachers . It call also be a handbook or reference book for in—service teachers to conduct their own self-edu-cation through an evaluation of practices in reference to theories .
