<<海南>>

内容概要

In ancient times,when there was a lack of technology and means of transportation,Hainan was considered " the end of the earth. " Now it has become,however,the youngest province and the largest special economic zone in China.In recent years,this island has drawn Asia's or even world's attention by successfully holding a series of activities,such as the annual meetings of Boao Forum for Asia and Miss World finals.On a map of the world,Hawaii,Miami,and Casablanca.It is said that the magnetic field along this parallel is particularly good for mental and physical health.The industrious,kind-hearted,and brave people of Hainan welcome visitors from all over the world for sightseeing,spending their holidays,enjoying the sunshine,sea,beaches and delicious food,or even settling down.
