<<雅鲁藏布大峡谷>>

内容概要

The Yarlung Tsangpo Great Canyon is the largest canyon on earth. Dubbed "the last pure land in the world," the canyon abounds in unique landforms, rich biological resources, beautiful lands capes and colorful cultures, among them the mysterious primitive religion and culture of the Lhopa and Mon pa ethnic minorities. Based on the author's first-hand experiences and using his own photography, this book offers an amazing picture of the Yarlung Tsangpo Great Canyon.
