内容概要

Qinghai means "blue lake," and indeed the name of the province comes from the pristine waters of the vast Qinghai Lake high on the plateau - the "roof of the world." Three great rivers rise in Qinghai: the Yellow River and the Yangtze River nurtured dazzling Chinese civilizations that sprang up along their valleys; the Lancang River starts here too irrigating first Tibet and Yunnan, before flowing through Southeast Asia as the Mekong. Historically remote, but not isolated, both the southern route of the Silk Road and the Tang Tubo Road linking the Tang emperors in Chang an and the ubokings in Lhasa made their way through the heart of Qinghai. In the gentle embrace of Sanjiangyuan - the Great Source of Three Rivers - are vast grasslands, rippling snow mountains, the devout pilgrims, sacred living creatures....

Appendix

编辑推荐

It is easy to have a quick look at China's past and present , but it takes time to gain a panoramic knowledge of China. The "Pan-oramic China" series is meant to assist readers , especially those overseas , in this respect. Each volume in the series focuses on a province , municipality or autono-mous region , describing , with illustrations , the outstanding char-acteristics of each area from dif-ferent perspectives.
