内容概要

It is easy to have a quick look at China's past and present, but it takes time to gain a panoramic knowledge of China. The "Pan-oramic China" series is meant to assist readers, especially those overseas, in this respect. Each volume in the series focuses on a province, municipality or autonomous region, describing, with illustrations, the outstanding characteristics of each area from different perspectives. This book is, Home of the manchus & cradle of Qing Empire.
