章节摘录

版权页： 插图： Expanding the items and content of judicial openness. People's courts extend judicial openness in court trial to all other processes such as case-filing, execution, hearing, issue of documents, and jurisdiction affairs. The people's procuratorates make fully public case-handling procedures, case review procedures, litigation participants' rights, interests and obligations, and results of legal supervision in accordance with the law. Public security and judicial administration organs make known to the public their main functions and responsibilities, the basis, procedures and results of law enforcement, and discipline in the case of police affairs. Diversifying the forms and carriers of judicial information disclosure. The form of judicial openness has been changed from separate information release by each judicial department to unified information disclosure through a designated information service platform. The carriers of judicial information disclosure have been, extended from the traditional public notice boards, newspapers, periodicals and pamphlets, to web-sites, blogs, microblogs, instant communication tools, and other newly, emerging online media. A press spokesman news briefing mechanism has been established and improved for timely judicial information release Enhancing the effectiveness of and guarantee for judicial openness. The reasoning and argumentation of all documents in relation to judgments, procuratorial work and public security affairs will be strengthened. Ordinary people and experts are invited to attend hearings and arguments. Email boxes are opened as a means of communication with the people and hotlines of the same number across the country, are created for people to report offences.
