<<敖鲁古雅风情>>

内容概要

In China and the only minority ethnic group breeding reindeer. Prior to the 1950s, Ewenki hunters still retained the way of production and life characteristic of the last stage of the primitive society.

Subsisting on raising reindeer, they are meat of animals, wore clothes made of animal hides and resided in cuoluozi that merely provide a shelter for cold in winter and rain in summer.

《Customs and Lifestyles Of Aoluguya》(Liu Yunshan) is about the introduction raised, and minority life etc English monographs.

<<敖鲁古雅风情>>
