<<中国菜的故事>>

内容概要

The Chinese are a people who are fond of cuisine , such as Man-Han Banquet , snacks in imperial court and Sichuan cuisine and who are good at various cooking skills , such as steaming , boiling , frying , stir-frying , quick-frying , deep-frying , roasting , pickling , stewing and smoking , etc. Whenever you ask a man on the road for the name of fine food , he will probably say of the names of many yummy dishes which are bound to make people lick their lips.

<<中国菜的故事>>
