## 章节摘录

02 Fish and Cat Story One spring day , a fish was swimming about a foot below the surface of a lake and saw a fly hanging in the air just beyond his reach. The fish said to itself , "If that fly comes six inches closer , I'll jump up and have myself a meal. " Just then , a bear on the shore of the lake looked up and said to itself , "If that fly gets any closer to that fish , the fish will jump up , and I'll catch the fish and have myself a meal. " As luck would have it , a hunter saw what was happening. He thought to himself , "If that fly moves closer to the fish , the fish will jump , the bear will lean over to grab the fish , and I'll shoot the bear. " Just then , a rat was standing behind the hunter saying to itself , "If that fly moves closer to the fish , the fish will jump , the bear will lean over to grab the fish , the hunter will lean over to shoot the bear , and I'll grab the sandwich from the back pocket of the hunter. " However , not been noticed by the rat , a cat was observing everything and thinking , "If that fly moves closer to the fish , the fish will jump , the bear will grab the fish , the hunter will shoot the bear , the rat will grab the sandwich , and I'll snatch the rat "At that very moment , the fly dropped a few inches , the fish grabbed the fly , the bear grabbed the fish , the hunter shot the bear , the rat grabbed the sandwich , the cat jumped , missed the rat and landed in the lake !

03 How Mankind Earned Longevity God created the donkey and told him , " You will work tirelessly from sun up to sun down , carrying heavy bags on your back , you'll eat grass , you will not have intelligence and you will live 50 years. You will be a DONKEY ! " The donkey answered , "I'll be a donkey , but living 50 years is too much , give me only 20 years. " And God gave him 20 years. God created the dog and told him , "You will look after the man's house , you will be his best friend. you will eat whatever they give you and you will live 25 years. You will be a DOG ! " The dog answered , " God , living 25 years is too much , give me only 10. " God gave him 10 years. God created the monkey and told him , "You will jump from branch to branch , you will do silly things , you will be amusing and you will live 20 years. " The monkey answered , "God , living 20 years is too much , give me only 10 years. " And God agreed. Finally , God created man , and told him , "You will be Man , the only rational ( 理性的 ) being on this earth , you will use your intelligence to control other animals , you will dominate the world and you will live 20 years.
