#### 章节摘录

Task 3 W: Do you have any plans this weekend? M: Theres so much to choose from on campus that Im not sure what Im going to do. W: The football game is on Saturday night, and Im going with a group of friends. Do you want to go with us? M: Of course Id like to go to the football game: its the biggest game of the season. And it sounds like fun to go with a large group of people. W: Good. Well be meeting at the cafeteria for dinner at six oclock on Saturday night, and then well go on to the game together. M: That takes care of my plans for Saturday night. But now I need to make a decision about Sunday afternoon. The music department is sponsoring a concert then, and Id really like to hear that concert. But theres also a play being presented by the drama department that I really wanted to see. Its too bad those two events are at the same time.

W: You know, if you go to the game on Saturday night and a concert or play on Sunday, that doesnt leave much time for studying. M: Oh, well. Maybe I can do that the weekend after this one. Questions

- 1. What is the woman planning to do Saturday? 2. Why does the man want to go to the football game?
- 3. What is at the same time as the music departments concert?

  4. When does the man plan to study?
