<<化合物性质手册>>

内容概要

《化合物性质手册》内容简介：This handbook presents a variety of data for chemical properties. It is incumbent upon the user to execute judgement in the use of the data. The author does not provide any guarantee, expressed or implied, with regard to the general or specific applicability of the data, the range of errors that may be associated with any of the data, or the appropriateness of using any of the data in any subsequent calculation, design, or decision process. The author accepts no responsibility for damages, if any, suffered by any reader or user of this handbook as result of decisions made or actions taken on information contained therein.
