章节摘录

Now look at this picture. This is the home of Mickey Mouse. Next, I will tell you something about the Disney Land. Walt Disney divided Disney Land for many parts, such as Main Street, USA, Adventure Land, Frontier Land, Fantasy Land,

Tomorrow Land and so on. Main Street, USA-It's a street, which used to hold Walt Disney's paradise of dreams. You can see Snow White, Mickey Mouse, Donald Duck and many characters. At this street, you can buy some Disney toys. You can play games here, too. Adventure Land-This land is the one which would make our dream reality, we pictured ourselves far from civilisation, in the remote jungles of Asia and Africa. Many adults like playing here. Adventure.

Land will make you feel that you are in a jungle. And there are many special animals and plants. It's really amazing.

Frontier Land-Here you can visit Tom Sawyer Island. In this island you have a chance to enjoy the experience of frontier. You can learn a lot from it-such as the spirit of frontier, hard working and so on. Besides the Country Bear Jamboree and the Frontier Land Shooting Arcade is also very wonderful. Fantasy Land-the Mad Tea Party. These wildly spinning tea cups often bring adults to their knees with motion sickness, but small children love them. Also Winnie is waiting for you there, and Dumbo the Flying Elephant, Cinderella's Golden Carousel (旋转木马), It's a Small World, and Peter Pan's Flight. All of these fairy tale's characters are vivid. And they will make you feel that you are one of a fairy in the tale. Tomorrow Land-There are many spots in the Tomorrow Land, such as the Tomorrow Land Transit Authority, Carousel of Progress. And if you go to the Tomorrow Land, don't forget to take the Speedway. It is safe, although the noise frightens a few children.
