内容概要

Asnuff bottle, as a snuff container, represents a unique variety of China's ancient cultural relics. It first appeared in the royal court in the Emperor Kangxi Period (1661-1722) of the Qing Dynasty (1644-1911), became popular in the capital, and influenced the entire nation. It was made by large quantities in the royal and civil works. This book introduces the qing dynasty snuff bottle.

作者简介

Zhang

Rong, born in 1963, graduated from the Department of History of Nankai University, majoring in museums. She has been working for the Palace Museum in Beijing since 1985, and once served as deputy director of the Palace Department, and director of the Ancient Objects Department. She holds the academic title of research fellow.

Major works published: Models of Ancient Lacquerwork and Appreciation, Snuff Bottles--Cultural Relics in Palm and Ancient Lacquerwork.
