<<傲慢与偏见>>

内容概要

ALTHOUGH the novel is written in the third person.

Austen only depicts scenes in which Elizabeth is present — — and this is true of no other character. The content of the novel is the story of Elizabeth, of how she and Darcy arrive at nuptial happiness by an improbable and circuitous route. The story Austen has written is that of Darcy's swooning and winning of Elizabeth. Darcy's capture of Elizabeth represents the triumph of reason over perversity. But Darcy does not win Elizabeth merely by persistence, though this helps greatly. To win the love of such a woman is not easy but Darcy believes it to be well worthwhile — — she will love him, if ever she does, for himself, as she is not desperate to achieve great wealth or social status through marriage.

<<傲慢与偏见>>

作者简介

English novelist whose realism, biting social commentary and masterful use of free indirect speech, burlesque and irony have earned her a place as one of the most widely-read and best-loved writers in British literature.

编辑推荐

Pride and Prejudice, first published on 28 January 1813, is the most famous of Jane Austen's novels and one of the first "romantic comedies" in the history of the novel. The book is Jane Austen's second published novel. Its manuscript was initially written between 1796 and 1797 in Steventon, Hampshire, where Austen lived in the rectory. Called First Impressions, it was never published under that title, and following revisions it was retitled Pride and Prejudice.
