<<鲁滨逊漂流记>>

内容概要

I WAS born in the year 1632, in the city of York, of a good family, though not of that country, my father being a foreigner of Bremen who settled first at Hull. He got a good estate by merchandise, and leaving off his trade, lived afterwards at York, from whence he had married my mother, whose relations were named Robinson, a very good family in that country, and from whom I was called Robinson Kreutznaer; but, by the usual corruption of words in England, we are now called - nay we call ourselves and write our name - Crusoe; and so my companions always called me.

作者简介

Daniel Defoe ( c.1659——1731, born Daniel Foe ) , was an English writer, journalist, and pamphleteer, who gained enduring fame for his novel Robinson Crusoe. Defoe is notable for being one of the earliest practitioners of the novel, as he helped to popularize the form in Britain, and is even referred to by some as one of the founders of the English novel. As a prolific and versatile writer, he wrote more than five hundred books, pamphlets, and journals on various topics ( including politics, crime, religion, marriage, psychology and the supernatural ) . He was also a pioneer of economic journalism.
