章节摘录

M: At the gate of the post office you can buy it. Look !
The post office is there. Be careful when you cross the street. W: Thank you very much. Good-bye !

M: Good-bye !

(Text 5) M: Did you hear that interview with the bungee jumper? The line broke after he jumped off a bridge. W: Oh, no !

Was he killed? M: Well, its totally unbelievable that he should have survived the jump. W: So how did it happen? M: He forgot to check the line before he jumped off the bridge. There was a weak spot in the line when he jumped and it suddenly broke into two pieces. The doctors said he would be in a wheelchair for the rest of his life, but he proved them wrong. He only spent one year in recovery. As soon as he was back in shape, he went right out and tried it again. W: Gosh, some people are really crazy. M: That may be true, but you have to say that he has a good spirit.

(Text 9) M: Hi, Jeanie. Why have you come to school an hour early? W: I wanted to get a front row seat and review one more time before the test. Why are you here so early, Jack? M: I get out of my car here this time every day. You seem to be nervous about your lessons. Have you finished your review?
