## <<中国农村的金融发展>>

### 内容概要

《中国农村的金融发展--以农村信用合作社的改革为中心(英文版)》 : I am most grateful to Professor Masaaki ISHIDA of the Graduate School of Bioresources, Mie University, Japan. He was my doctoral instructor who guided me into the academic world of economics. He is very famous in the research of agricultural policies and cooperatives, excelling at micro analyses of farmers' action. He has won a lot of academic awards from the Agricultural Economics Society of Japan and The Farm Management Society of Japan, etc. He also has great personalities of wisdom, diligence and generosity. I feel very fortunate to be one of the overseas students of Professor Masaaki ISHIDA.
