章节摘录

Harry : Yes. There were three candidates in all. I thought I was not the best one. In the first two rounds , I ranked last. I felt disappointed with myself. But many of my colleagues encouraged me. They said I was the best. I became stronger in mind. The result will be good if you can be confident. After four rounds of examination , my score was the highest. I can't even believe it. That was a break. Brian : It truly was. However , you always work so hard. That's the main reason. You deserve it. Harry : Thank you. Tomorrow is the company party. Brian : I can hardly wait. We haven't been together for a long time. It's also a good opportunity to celebrate for you. Harry : Yes , I also look forward to it.
